Pokhara Area welcomes you all in a mega event of "A Decade Celebration" in PAACNA-IV. Enjoy the view of great Himalayas on the top and lake on the base with a mammoth celebration of our endeavor in recovery.....

In the year of 2000 A.D. NA was entered in Pokhara with a great venture of only 5 NA members. There was only single meeting at that time to help each others. Besides, enough family & social support, that small group kept struggling in the vibes of "together we can" with a goal of carrying the message to the suffering addicts. That first step took its pick up and reaches a decade. Today we salute to those great cohorts who led us to a great opportunity to have "A Decade Celebration" as our collective endeavor.

Incredible Pokhara is situated near the famous fewa lake and also surrounded by Himalayan ranges and foliage.

Catch the feelings of serenity and warm vibe of recovery in support of nature's love.....

Let's come together! Be together!! Move together!!!
