

never  
sendiri

BALI

18-20 June, 2010

**WHAT**

Come join us on the Island of the Gods for the 10th Bali Area Convention of Narcotics Anonymous. The theme for 2010 is "never sendiri" (sendiri is the Indonesian word for alone - so... never alone.) Pretty appropriate, because when we're in the Fellowship of Narcotics Anonymous, we are never alone.
