

*We cannot change the nature of the addict or addiction.  
We can help to change the old lie "Once an addict, always  
an addict," by striving to make recovery more available.  
God, help us to remember this difference.*

**CAMP OUT**  
AT  
BIRISHIRI, NETRAKONA  
BANGLADESH

**5TH & 6TH MARCH  
2010**

### Preface

In Bangladesh, Narcotics Anonymous was introduced more than 22 years ago. But it required immense time and effort to create tradition based groups and service structure in this country. Very recently the First Service Committee - "Dhaka Area Service Committee" of NA has been formed in Dhaka, Bangladesh. To achieve our common goal "that no addict seeking recovery need die without having the chance to find a new way of life" and to celebrate long desired service structure, Dhaka Area Service Committee is going to arrange its first Campout at Birishiri, Netrakona, Bangladesh on 5th and 6th March, 2010.

### Program

We have a grand opportunity of participating with major fellowshipping as being recovering addicts. The campout starts with welcome speech. Afterwards there will be *speakers meetings, sharing meetings, workshops on aspects of recovery and service, mid-night bonfire recovering meetings* and NA merchandise to buy. We will have great programs to share in with good food, comfortable bed to sleep, clean bathrooms, things to learn and *footsteps to dance*.

### Venue

Surrounded by White hill, Guschogram Hill & also renowned more 4/5 hills, little forest bordering the sides of the river Shomeshwari in side of West Bengal. Birishiri is a beautiful small place 25 km away from Netrakona district, 55 km away from Mymensingh district and in total 175 km away from Dhaka division.

### Travel Information

If you are coming from outside of Dhaka, then please inform the Welcome Chair well in advance of your travel plans. All possible assistance will be provided for a smooth passage to the Venue.

#### By Road:

- Dhaka to Mymensingh by direct Bus (120 km distance)
- Mymensingh to Birishiri by direct Bus (55 km distance)
